BUILDING A BETTER, BRIGHTER BIRMINGHAM

Birmingham has changed significantly over the past 15 years and continues to do so at a rapid pace. In 2006 the European Cities Monitor ranked it as the leading UK city outside of London in which to locate a business.

Birmingham Chamber will remain at the heart of this activity and our 2007 Annual Conference, Exhibition & Awards Dinner embraces the changing face of the city with an exciting new look and feel to this hugely popular event.

Innovation is the name of the game for 2007 as Birmingham Chamber acknowledges the city's unique array of businesses and the valuable contribution they've made in the past and will

continue to make in the future in order to build a better, brighter Birmingham.
